Form. In view of the short deadlines involved, the COL-RICE Administrator strongly discourages the application of a Letter of Credit to a bid payment.

Performance securities will be promptly returned to the bidder following the close of the Open Tender Process unless, pursuant to bidder instructions on the Bid Form, the performance security is applied to the bid price of a successful bid or is retained as security for a subsequent Open Tender Process.

Bidders should provide an address or wire instructions for the return of performance securities.

IV. NOTIFICATION AND PAYMENT

All bidders will be **notified by Monday, October 5, 2026** whether their bid(s) were successful.

Each successful bidder must pay the full amount of its winning bid(s) by certified check or wire transfer, which must be **received within five (5) business days of the notification** or the performance security will be forfeited.

If the quantity awarded for an individual bid does not match the quantity requested, the bidder has the option to reject all or part of the quantity awarded for that bid without penalty. A successful bidder should notify the COL-RICE Administrator via e-mail within one (1) business day if it chooses not to accept all or part of an award.

If the full price of one or more successful bids is not received by the due date, or if a successful bidder rejects a partial award, the quantities will be offered to the next highest bidder(s). Performance securities will be retained until all of the available quota amount for the auction has been allocated.

V. CERTIFICATES

TRQ Certificates designating the quantity of rice covered will be transmitted to each successful bidder via overnight delivery after receipt of the full amount of a successful bid and within two (2) business days of receiving instructions via fax or e-mail from the successful bidder concerning the denomination in which TRQ Certificates awarded to it should be issued.

An account will be established for each successful bidder for each quota period, and as requests for TRQ certificates are received and processed, the amount of each certificate will be deducted from each successful bidder's account until certificates in the full amount of their successful bid (s) have been issued.

TRQ certificates issued in this Open Tender Process will remain valid until December 31, 2026. **The validity date on the certificate(s) is the date by which the shipments must arrive at the port in Colombia AND clear Colombian customs.**
